Gabe Pausch, John Kerpan, Matt B, Shaymus Brown & Kim Davidson -SD
facilitator & graduates

Street Degree Graduation & Celebration

On April 10 in true Street Degree style we celebrated the graduation of peers who have trained as facilitators and/or completed 5 module of Street Degree; Gabe Pausch, John Kerpan, Matt B, Shaymus Brown, Kim Davidson, Sean Hill, Shayna Busch, Karen P.

Kenn Quayle and Brian Mackenzie though unable to attend were honoured by receiving their Master's of Street Degree after completing facilitator training and 20+ SD modules.

**Thank you to the peers, community members & partners
who showed up to help honour the important work being
done by community for our community.**

Farewell to Shannon Mack as the Street Degree Coordinator

Shannon Mack has spent the last 6 months working as the SD Coordinator. Along with the coordinator role she worked as a support worker & peer support specialist for Raincity at the Overdose Prevention Site in Sechelt. Through her work at the OPS and with the SD program she has worked with peer workers & plays an integral role in the community. Shannon has brought strong leadership rooted in love, dignity and compassion.

During her time with SD she has completed her facilitators training, supported sessions & organized a really special and memorable graduation celebration.

Shannon is moving into a new role as Assistant Manager of Hightide Supportive Housing. Shannon we are going to miss you at SD and the OPS ! We are so grateful for all the important work you do and the ways you show up for our community !

Congratulations on your new position Shannon, we know you are going to continue to build solidarity within our community. See you at the OPS for summer karaoke!
Love you Shannon Mack.

Sean Hill receiving his diploma at the OPS

Kenn Quayle, Brian Mackenzie & Patrick Pouponneau facilitating a SD session on Safer Consumption
